

The Unspeakable Gift of Life

To see that I AM (life), and that Life itself—unadorned, unattainable, and unknowable—is, just as it is—the Pearl of Great Price, is to be, at once, the wealthiest and the poorest soul on earth, and in heaven.

Only this realization is capable of placing any and all other ambitions in the service of Life itself by whose Light alone is revealed (that) I AM and yet...not.
